**Adhesive for engineered floor, 4 gallons**

**T380 Flooring Adhesive** is a professional grade solution designed for dependable installation of PVC roll goods and sheet vinyl flooring. It spreads smoothly, delivers strong initial tack, and cures into a durable bond that helps keep floors secure and stable over time. Ideal for residential and light commercial interior applications, T380 is easy to work with on properly prepared substrates and supports clean, efficient installs for contractors who want consistent results.
